### **CASE Credit Union's VP of Finance Wins Young Professional of the Year Award**

**Lansing, MI 3/6/2017** – CASE Credit Union's VP of Finance, Jacob Darabos, recently received the 2017 MCUL Young Professional of the Year Award. This award recognizes an individual who has proven dedication and enthusiasm for the credit union movement.

The impact Darabos has on the organization through mentoring other leaders, financial planning and profitability is impossible to ignore. His ability to do so much for CASE in such a small amount of time is a remarkable achievement, and we're excited to see what heights he reaches next.

"Our industry has so many young professionals with unbelievable levels of talent and commitment. To be selected by the MCUL to receive the Young Professional of the Year award, amongst all of these dedicated professionals is extremely rewarding and humbling," said Darabos. "This type of recognition only makes me want to reach higher and achieve more in the many years to come in the credit union movement."

Darabos will be formally awarded at the Honors Awards Breakfast during MCUL/CUSG's 2017 Annual Convention and Exposition, June 7-10.
