CASE Credit Union Announces Managers for New Branch Locations

Left: Nicole Putman, West Saginaw Branch Manager, Right: Courtney Minor, Lake Lansing Branch Manager

Lansing, MI – CASE Credit Union has selected Branch Managers for its two newest locations, the West Saginaw and Lake Lansing branches.

The West Saginaw branch is a newly constructed building, located across from the Lansing Mall, and will feature a four-lane drive-thru system, larger office space and open floor plan to provide members and staff with more flexibility and functionality. The branch is scheduled to open this fall.

Nicole Putman, a Certified Credit Union Financial Counselor, will manage the new West Saginaw Branch. Putman has been with CASE for nearly nine years, and is currently serving as the Branch Manager of the Delta and LCC Branches. She is a Lansing-native, graduating from Everett High School and is currently pursuing a degree from Lansing Community College.

The Lake Lansing branch is located at 2400 West Road, just off of Lake Lansing Road near the US 127 interchange. CASE had co-occupied the building with Option 1 Credit Union since purchasing the property in January. Option 1 has now moved out of the property and CASE has begun renovations to update the building. Renovations are expected to be completed this fall, and the branch will remain open during construction.

Courtney Minor assumed the management role at the Lake Lansing Branch, coming to CASE with eleven years of bank management experience. Minor also serves as the Chairman of the Board for the Entrepreneur Institute of Mid-Michigan. He is a Lansing-native, graduating from Everett High School and receiving his degree from Central Michigan University in 2001.

“We are really looking forward to this new chapter in CASE’s story, and we couldn’t be more excited to have such great leadership in place at both of our new locations with Nicole and Courtney,” said Jeff Benson, CASE Credit Union President/CEO. “Each of them has a wealth of experience in the financial industry and they will play a key role in getting our new branches running smoothly.”

Established in 1936 by Lansing area educators, CASE Credit Union is a full-service financial institution serving over 30,000 members and managing more than \$238 million in assets. CASE Credit Union is focused on service and committed to exceeding the financial expectations of today’s mobile society through convenient products and services.
